

FUTURE EXCELLENCE DESIGN INSTITUTE OF SOUTH AFRICA - FEDISA (Pty) Ltd is currently the only registered and accredited private Fashion Design institute in the Western Cape of South Africa offering a Degree programme in Fashion. The diverse student body represents 18 countries from around the globe.

FEDISA is today the educational market leader in the pursuit of excellence in design. The instructional programme draws on the broad spectrum of design and

fashion, developing a thorough understanding of the diverse opportunities available to the design graduate in the exciting world of fashion and design.

The **BA: Fashion Design Degree** at **FEDISA** is no longer geared exclusively to create only fashion designers. **FEDISA** has become the launch pad for diverse career opportunities, ranging from fashion buying and styling to editing and event management, and extending to a full range of design entrepreneurialships. It is in essence creativity with a strong business focus.

FEDISA (Pty) Ltd is a registered Private Provider of Higher Education as reflected on Department of Education Registration Certificate 2007/HE07/001 and the **BA: Fashion Design Degree** is fully accredited by the Council on Higher Education and also registered on the South African Qualifications Authority (SAQA).
