

# Kids Can SEW

Simply place a few tumblers or used bottles in the holder and you have got an original table decoration for any room in the house.  
Size is for 500 ml tumblers.

## materials

- 60 cm green felt - 45 cm wide
- 60 cm yellow felt - 45 cm wide
- 8 buttons
- Wonder tape
- Firm cardboard for the base
- Sewing machine
- Selection of presser feet

## instructions

### Bernina hint

The sew-on button foot no 8 and the edge stitch foot no 10 will come in handy and make sewing easier.

### Cutting out

Two rectangles 51 x 13 cm in green  
Two rectangles 19 x 44.5 cm in yellow for the base  
Eight pieces 6 x 2.5 cm for mounting

### Instructions

1. Top stitch the green rectangles at the top and bottom edge (For Bernina machines use foot no 10 and needle position left).

2. Place pieces on top of one another and edge stitch together on the right and left side.

3. Use wonder tape to hold the pieces together – that way nothing will slip!

4. Quarter the remaining length and sew off vertically in each case.

5. Top stitch the mounting pieces all round and work a buttonhole in each.

6. Sew ribbons to the bottom edge in the centre of each sector.

7. Place tumblers in the container and mark the spots where the buttons are to be sewn on.

8. Sew buttons in position (Bernina button sew-on foot no 8).

9. Edge stitch the bases together all around, first inserting a firm piece of cardboard if desired.
